CLINI-TECH®

"The First non-Bleach Ready-to-Use EPA registered Disinfectant, Sanitizer, and Sanitary Bidet Cleaner"

Ready-to-Use, "one-step" disinfectant, sanitizer, and sanitary Bidet cleaner. No mixing, no rinsing.

Bidet seats are made of either ABS resin or Polypropylene. Using harsh bathroom cleaners can destroy the surface of the materials and eventually develop cracks.

Clini-Tech is unique sanitary Bidet cleaner formulated for use in regular maintenance programs and will not harm surface.
